Dear Parent/ Guardian,

**Re: School Uniform**

As the spring term draws to a close and we look forward to our Easter break I thought it might be sensible to write and alert you to an issue that is developing amongst some of the students here.

It seems that an increasing number of boys are arriving at school without the correct uniform. I appreciate that at times items of uniform can be lost or damaged and that their immediate replacement is sometimes problematic, but nevertheless as we pride ourselves on the smartness of our students we must ensure that standards of presentation here do not slip.

I therefore respectfully request that you take the time over the coming break to ensure that your son has full school uniform and the requisite equipment he needs to be successful here.

Students arriving without the above after Easter can reasonably expect to be sent home to collect the missing items.

I wish you all a pleasant and productive break.

Yours sincerely,

Mr Iain Haresign
