### LOST PROPETRY

*Please remind your son that lost property is available to collect from 8am - 4pm every day in Student Services. Just so you are aware that it is given away to Charity at the end of every Half Term, as we don't have the capacity to store large amounts of lost property. Any lost items must be collected before then.*

## Year 12 visit to the Imperial War Museum

This month year 12 English literature students visited the Imperial War Museum (pictured above) to complement their study of The Oxford anthology of War Poetry and Regeneration by Pat Barker. They are preparing presentations on various areas of interest connected specifically to World War One. They will then present to our lucky year 7 students in their English lessons to enhance their study of 'Private Peaceful' by Michael Morpurgo. Watch this space to see how it all goes...

## REMINDER: New Parents Welcome Evening

Next Tuesday evening, Friends of FHS, our parent/teacher association, will be hosting an informal cheese and wine event for the parents of the new year 7 students. This is an opportunity to get involved with the sterling work that PTA does for the school, connect with other parents and get to know the FHS team a little better.

# Call for New Parent Governors

We will very shortly be opening the recruitment process for new parent governors – look out for information about the schedule, the first part of which is nominating either yourself or another parent. Full details will follow to all parents/carers in the coming week or so. We welcome nominations from all groups and hope you will consider standing for election and getting involved.

## World's Biggest Coffee Morning

On Friday 22nd September, Forest Hill School staff had the opportunity to show off their baking skills while raising money for Macmillan Cancer Support.

At break time, staff partook in cakes, brownies, biscuits and cupcakes in exchange for a donation. All of which go towards helping Macmillan fund their support line, fund nurses, provide information about cancer and give financial support, through grants and advice programmes.
