TEACHER OF SCIENCE

Salary range: MPS/UPS (Inner London)

Permanent, Full time, starting January 2018

Forest Hill is a thriving, oversubscribed, multi-cultural comprehensive school in south east London with a reputation for raising boys' achievements.

We are seeking to recruit an enthusiastic and committed Science teacher to join us in a Science Department that is extremely successful with excellent GCSE and A level results. All students follow AQA sciences at GCSE. The post will involve teaching both Key Stages 3 and 4 with the possibility of A-level teaching, and would suit an NQT or more experienced teacher. An ability to teach Physics at KS3 and KS4 would be advantageous although not essential.

The successful candidate will have a passion for Science, have evidence of at least good teaching leading to high attainment and progress and have high expectations for raising standards for all students through class work, homework and enrichment.

Informal visits are welcome – please contact Cate Swift, Assistant Head or Nargis Hamid, Science and Computer Science Faculty Leader.

How to apply:

Please complete an application form. Application forms are available to download from the School's website at www.foresthillschool.co.uk No CVs.

Please return your completed application form via email to vacancies@foresthill.lewisham.sch.uk

The closing date: 5.00pm Monday 9th October 2017

Interviews: Tuesday 17th October 2017

Start date: January 2018

Forest Hill School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant will be required to apply for an Enhanced Disclosure from the Disclosure and Barring Service (DBS). Our commitment is underpinned by robust processes and procedures that seek to maximise opportunity, minimise risk and continuously promote a culture of safeguarding amongst our workforce.
