What sorts of independent work / homework will my son get?	How you can help	Useful resources and links
<p>Home work is set based on the topics taught in class and according to the schemes of work.</p> <p>Independent work involving the revision of key skills is considered vital to increasing your child's current performance grade, as well as frequently completing past exam papers and self-marking them.</p>	<p>Check that homework is completed at home and to a high standard.</p> <p>Help your child to devise a revision programme which is manageable and effective by addressing target topics identified from his individualised skills map in year 11, or official unit tests completed throughout KS4. We would recommend a minimum of 20 minutes revision each evening, which does not include time spent on homework.</p>	<p>Exam board course link: https://www.pearsonschoolsandfecolleges.co.uk/secondary/Mathematics/11-16/EdexcelGCSEMaths2015/EdexcelGCSEMaths2015.aspx</p> <p>Recommended revision guide: REVISE Edexcel GCSE (9-1) Mathematics Foundation/Higher Guided Revision Workbook</p>

		Exam board course link: www.aqa.org.uk

<p>The homework given at KS4 is designed to test your son's subject knowledge and review the content they have covered in class. The students are expected to demonstrate good application of subject knowledge and identify areas to improve. They will be given the opportunity to purchase revision guides they can use at home to help them deepen their understanding of the topics. Exam practice questions will be a regular feature and there will be a lot of emphasis on self-evaluation. Students will be encouraged to review their work and make improvements.</p> <p>Each student will be issued with a personal learning checklist for each subject area which they can use to revise from.</p>	<p>We aim to promote independent study so that students are better prepared for the next stage of their education. The students find they can study at their own pace if they use a revision guide at home. This will help them to summarise their in-class learning and provides them with questions and tasks to do as well. Recommended revision and practice books are available via ParentPay. There are foundation and higher versions of these books. Some students find watching short video clips on youtube very helpful.</p>	<p>Recommended revision guide: https://collins.co.uk/product/9780008160869/Collins+GCSE+9-1+Revision+-+AQA+GCSE+Combined+Science+Trilogy+Higher+All-in-One+Revision+and+Practice (Higher tier) https://collins.co.uk/product/9780008160852/Collins+GCSE+9-1+Revision+-+AQA+GCSE+Combined+Science+Trilogy+Foundation+All-in-One+Revision+and+Practice (Foundation tier)</p> <p>Useful websites: https://www.my-gcse-science.com www.freesciencelessons.co.uk https://www.khanacademy.org/ http://www.bbc.co.uk/education/subjects/zrkw2hv</p>

Geography

What sorts of independent work / homework will my son get?	How you can help	Useful resources and links
Students are set a variety of work once a week and normally consist of one of: 1. Research tasks using the internet and library. 2. Learning keywords 3. Extended writing on key geographical issues 4. Skills based tasks e.g. practising skills we have been practising in class, for example map skills. 5. Redrafting e.g. using teacher comments to make improvements to an existing piece of work. 6. Completing exam questions	1. Help students to take an interest in world events and news and to develop their understanding of the world. E.g. reading a newspaper together or watching the news. 2. Discuss what the student has done in their geography class that day. Can they clearly explain the concepts and key skills. 3. Testing students on the geographic vocabulary. Every half term students learn a different topic, each with different list of expected vocabulary. Teachers often carry	Exam board course link: @ OCR A GCSE Geography 1. RECOMMENDED REVISION GUIDE: New Grade 9-1 GCSE Geography Revision Guide Paperback – 28 Apr 2017 (CGP books – www.cgpbooks.co.uk) 2. SPECIALIST SOFTWARE: Google Earth – A free GIS package with various tools students should be confident in using as part of their Geography education. http://www.google.co.uk/intl/en_uk/earth/ 3. WEBSITE LINKS: Ordnance survey website – This website gives students access to a range of different types of maps, as well as a student zone where they can practise their

	<p>out spelling tests of these keywords, but parents should also test students on their spelling, definitions and use of these keywords.</p> <p>1. Download exam questions and specimen papers from the OCR - A Geography website. They come with mark schemes to help monitor progress</p>	<p>mapping and GIS skills. http://mapzone.ordnancesurvey.co.uk/mapzone/giszone/english/gismissions/ BBC Schools website – A variety of revision resources, games and video clips to help students reinforce their learning. http://www.bbc.co.uk/schools/websites/11_16/site/geography.shtml Geography map games – A variety of activities where students can test their knowledge of geographic locations against students from around the world. http://www.geography-map-games.com/ Geocube – A website created by the EU to give students information about 54 key topics, as well as information about what geographers do and what Geography can lead to http://www.geo-cube.eu/</p>
