**Full Time - Science teacher (NQT or MPS)**  
**with potential of TLR 2C for Lead Teacher Post 16**

Start April or September 2018

Salary range: MPS - UPS £28,660 to £47,298 per annum (inner London)

We are seeking to recruit an enthusiastic and committed Science teacher to join us in a Science Department that is extremely successful with excellent GCSE and A level results. All students follow AQA sciences at GCSE. The post will involve teaching both Key Stages 3 and 4 with the possibility of A-level teaching, and would suit an NQT or more experienced teacher. An ability to teach Physics or Biology at KS3, KS4 and Post 16 would be advantageous although not essential.

Forest Hill is a popular 11-19 school which exists to serve the local community through innovative teaching and a broad and comprehensive curriculum offer including a strong focus on the Performing Arts. Our joint Sixth Form - SFH6 - consistently achieves higher than national grades and has been judged to be 'good' by Ofsted (Dec 2017). The leadership of the school has resulted in the school being "well-placed to move forward" (Ofsted Dec 2017) and we are committed to improving the educational outcomes of young people. We are a community school where "pupils are cared for well" and "are helped to overcome social and personal challenges." (Ofsted Dec 2017)

Our ideal candidate is;

- An innovative and enthusiastic Science teacher with a range of teaching experiences and qualified to teach up to Post 16
- An outstanding teacher who combines a range of innovative teaching strategies and excellent relationships with young people
- Someone who looks for ways to improve themselves and the school and is not afraid of taking responsibility beyond their own area

We will offer;

- The opportunity to work in an established and experienced Performing Arts school which challenges the stereotypes of underachieving boys
- A personalised CPD programme that offers a range of opportunities to broaden your pedagogical experience and which seeks to support you in developing yourself for future leadership roles
- Modern, state of the art facilities, including the technology and resources to support excellent teaching of all the subjects in the Faculty
