Calling students currently in year 8 and 9 - Are you up for an adventure?

The Duke of Edinburgh Award Scheme is the world's leading achievement award for young people, and is highly regarded by universities, colleges and employers. It encourages young people to develop independence, commitment, leadership and teamwork through being involved in a personalised programme of activities; all this over 3 tiers of challenge. The school fully supports the award and recognises its unique value for developing skills and attributes in young people. More information at www.dofe.org

Parents of year 8 and 9 will be emailed a letter in the next few days.

Any students in year 10 interested in the scheme need to meet with Mr Davey to discuss this opportunity for them which would overlap with their GCSE year.

SPORT NEWS - Football

The Year 9 football team put in an excellent performance to defeat Deptford Green comfortably 4-0 to lift the Blackheath Cup. They were also narrowly beaten by Woolwich Poly in the final of the London Cup. The boys showed real character, battling back from 3 goals down to force extra time. They unfortunately conceded a late goal to finish runners up by 4 goals to 3.

LIBRARY NEWS - House Reading Championship

Our library-based House Reading Championship has a World Cup theme this year, with 2 of the competing nations randomly allocated to each year 7 and 8 tutor group. All the Houses are continuing to increase their scores and Harvey House are beginning to give Shackleton a bit of competition! At the end of June there will be prizes for the most prolific individual readers and for those boys who have transformed their engagement with reading.

For creative writers aged 13 and under there is a World Cup short story competition to enter:

www.kickaroundmag.co.uk/writing-competiton

Parents can enter their children individually, but boys wanting to enter via school will need to give their entries in to the library staff by the end of term.

If you prefer reading to writing why not go to the school library system (aiscloud.uk/frs01 or via FHS Connect) to read author Tom Palmer's World Cup Story (you can also read a print version in the library). Instalments will be written & released as the 2018 World Cup progresses.
