Summer Holiday Homework

Year 9 into 10

You will need to use Mymaths.co.uk to do your holiday homework which is on algebra.

<https://www.mymaths.co.uk/secondary.html>

You already know your school password and login for MyMaths.

You will need to login with your own password.

Your maths teacher will check that you have completed the work so do not forget to login with your own password or your teacher will think that you have not completed it.

Other Maths activities you could do:

Make sure you know your times tables.

Play some of the games and do other activities in MyMaths or Maths Genie.
