

FOREST HILL SCHOOL

ASPIRING TO EXCELLENCE TOGETHER

SPECIALIST SCHOOL IN THE PERFORMING ARTS

Dear Parent/Carer,

While your son is self-isolating or away from school, it is extremely important that he continues with his schoolwork, if he is well enough.

The work will be provided through *Show My Homework*.

The work reflects the topics that your son would normally have been learning in lessons. Much of it uses the *Oak National Academy*, which has some excellent resources, specifically designed for home learning. Some subjects, such as Maths, will use different resources. The work covers a half term or a term and your son will need to find the topic that he was last learning in school and start there.

The work has been designed to allow students to assess their own progress through self-marking and on-line quizzes, so the work will not need to be handed in to the teacher.

However, your son is encouraged to continue to do the normal homework for his lessons and to either e-mail that to his teachers or submit it on *Show My Homework*, if that is an option.

Below are instructions for accessing the **Home Learning** through the **School Calendar** in *Show My Homework*. This can be done either by logging in or just by entering the school into the website. Please note that the School Calendar **cannot** be accessed through the mobile phone app.

Thank you for your support and if you have any questions then please contact the school or your son's teacher.

We hope to welcome your son back to school as soon as possible and would like to send you and your family, our best wishes.

Yours faithfully

Ms Rachel Woolf
