2022 Entry

**ASPIRING TO EXCELLENCE  
TOGETHER**

# Welcome

---

Dear Parents and Carers

Welcome to Forest Hill School at this exciting time in your son's education. I know you have made the right choice! Our commitment is to do everything possible to ensure your son has an enjoyable and successful time at Forest Hill, both holistically and academically.

After a challenging couple of years, I am delighted that we are able to welcome families to the school in person for all of our transition events and meetings between now and September.

I understand, however, that you may still be anxious about the transition process for your son but at Forest Hill we have always made Y6-7 transition a high priority, resourcing it generously in order to ensure every boy gets off to a great start. You have my commitment that we will ensure that you and your son are supported, and when he joins us in September, we will do everything possible to ensure that he has an enjoyable and successful time at Forest Hill.

Forest Hill is a thriving comprehensive school with a reputation for providing the highest quality educational opportunities for all its students, which is equipped with nationally recognised ICT provision, state of the art technology and performing arts facilities. While we hold to traditional values, academic achievement and standards of behaviour, we are an innovative school responding to the changing needs of our students and the demands of higher education and employers. Our students are valued for their individuality and we support their development both academically and socially. We are also proud to have a team of highly professional committed staff who your son will get to know over the coming years.

During his time here, your son will:

- Develop his talents and interests
- Celebrate cultural and social diversity
- Leave school having reached the highest academic standard possible
- Achieve the skills to continue effective life-long learning

To support these aims we:

- Provide a safe, caring and stimulating learning environment
- Maintain high expectations of work and behaviour
- Foster creativity and initiative
- Promote self esteem

I understand that the transition between primary and secondary school can raise anxieties – and even more so after the past couple of years – which is why we have created this booklet for you. I hope the information provided helps to smooth the process and reassure you that your son will flourish here.

I look forward to a successful partnership with you over the coming years.

## Who to Contact

We understand that secondary transition can be a stressful and confusing time and we want to support you through this process to ensure that your son settles quickly and successfully into school.

We highly value communication with parents and want you to feel able to get in touch with us whenever you need.

Generally speaking, your son's Form Tutor or Head of Year should be your first port of call and will be able to either answer your question directly or help you get through to the right person.

If you have a more detailed or specific concern, you can phone or email the school using the details provided on this page.

It really helps us if you give us some idea of who you wish to address your question to, so please remember to include your son's full name and his tutor group in all communications with the school.

## Tutor Time

Each year group comprises six balanced tutor groups of 25-30 students each. Tutor time is used to explore the Pastoral Curriculum. In Year 7, amongst other things, students focus on how to organise themselves effectively, stay safe and make positive relationships. Students have extended tutor time every Tuesday to ensure high quality and extended coverage of the PHSCE curriculum.

## Breaktime

The morning breaktime lasts for 20 minutes and all students are expected to be outside during this time. Year 7 students have their own designated playground where they have access to table tennis

# The School Day

tables. The servery in the atrium is also open at breaktime for students to purchase hot or cold food.

## Lunchtime

We offer a full school meal as well as a variety of hot and cold snacks in our multi-purpose atrium. As at breaktime, Year 7 students have their own designated playground. Students are also welcome to bring a packed lunch that can be consumed either in the atrium or outdoors.

There is a variety of activities for our students at lunchtime, ranging from using the library to sports and extracurricular clubs. There are also facilities for football, basketball, table tennis and table football freely available. Students are supervised by lunchtime supervisors and Senior Staff throughout the whole of lunch. Our expectation of high standards of student behaviour extends through both breaktime and lunchtime.

## Travelling to and from School

The majority of our students walk to school with a friend or a sibling, some are driven, some travel on public transport and others cycle.

If your son wishes to cycle, parents should put in a written request to the Head of Year. If the request is granted, the cycle must be in a safe condition and an approved helmet must be worn at all times. Bikes and student safety will be the ultimate responsibility of the parents. Boys must provide a suitable strong padlock and leave bikes only in the designated student cycle racks. The school will not accept any responsibility for loss or damage to bicycles.

Students are **not permitted** to bring skateboards, roller-skates, scooters or e-scooters to school. These items are banned and will be confiscated if brought in.

## FREE SCHOOL MEALS

Any student who qualifies for free school meals can receive a daily hot meal from the school servery or meal pods.

If your son received a free school meal in a Lewisham primary school he will automatically receive a free school meal here.

However if he went to a primary school in another borough, or you believe you may now qualify for free school meals, please visit <https://lewisham.gov.uk/freeschoolmeals> to check your eligibility.

## Overview

At Forest Hill School, we combine the traditional values of hard work and academic learning with up to date methods and content. We believe that students achieve their full potential if they enjoy their work and find it stimulating and challenging.

The school offers a broad and balanced curriculum, fulfilling all the requirements of the National Curriculum, while at the same time reflecting as wide a choice of pathways as possible, to cater fully for all levels of aptitude and ability. Homework and private study are seen as invaluable to nurturing independent learners.

Information about each subject taught at Forest Hill School (along with a curriculum map) is available to view on the school website: <https://foresthil.lewisham.sch.uk/subjects/>

## Measuring Progress

One of the central objectives of Forest Hill School is to ensure that your son makes progress in all of his subjects. We strongly believe that it is our role to do all that we can to support you and your son in improving his skills, understanding and aptitude in all areas, no matter what his starting position or ability is. This applies to all students, ranging from the extremely able student who needs to be pushed to reach even higher standards, to the students with the most challenging learning difficulties who struggle to access the curriculum.

### *How often do we provide formal feedback?*

We continually assess student progress in a variety of ways. We report to Year 7 Parents in the Autumn term and in the Summer term, and there is also a Parents' Evening when you can meet individual subject teachers.

### *How are students assessed in each subject?*

This will be a combination of monitoring class and homework and more formally assessed pieces of work and exams.

All students should have a green pen to use for making corrections to their work.

### *What assessments does your son complete?*

When your son joins Forest Hill School we ask him to complete several short tests to help us gather more information about him and his abilities.

The different assessments are:

- **Cognitive Ability Tests (CATs)** – a series of online tests which indicate to us your son's strengths and weaknesses in terms of verbal, quantitative, non-quantitative and spatial reasoning
- **New Group Reading Test (NGRT)** – a simple reading test which assesses your son's reading comprehension and sentence completion abilities

None of these assessments are perfect, but they help us get a better picture of your son so that we can support him better during his time at Forest Hill School.

# Curriculum

## Lesson Standards

We expect all students to follow our lesson standards to make sure that everyone learns and makes progress.

**A FOREST HILL STUDENT:**

- Listens to the teacher and follows instructions first time.
- Is prepared to learn with the correct equipment and attitude.
- Follows the presentation rules and takes pride in their work.
- Is completely focused and tries their best.
- Is punctual to lessons.
- Is respectful of teachers and peers and takes responsibility for their actions.
- Is respectful of the learning environment and resources.

**...ALWAYS!**

## Learning Support

Forest Hill School is committed to meeting the needs of every student at the school. We teach a broad, balanced and enriched curriculum that helps every boy reach his potential in a healthy, happy and safe environment.

Children with Special Educational Needs and Disabilities (SEND) are highly valued in our school and are supported by a team of experienced staff and a Special Educational Needs Coordinator. We work hard to make sure that a child's individual challenges are being addressed and monitored so that every child makes progress, both academically and emotionally.

Students who require intensive help are taught in our Explorer classes. These are small groups taught by a specialist teacher that run throughout Years 7, 8 and 9. Students in these groups cover the content of our usual KS3 curriculum but lessons are highly differentiated and taught via a series of fun projects.

## Homework

Homework is a vital part of the curriculum. There is a clear link between the completion of homework and achievement and it is an integral part of the courses our students study. It provides valuable practice of topics and skills being taught and allows the teachers to assess a student's understanding of those topics. Homework also helps students to develop essential skills.

In Year 7, students will receive homework from six subjects each week – English, Library (Reading), Maths, Science, Modern Foreign Languages and History. Once a fortnight, they will receive homework for Geography, Computer Science and Religious Education.

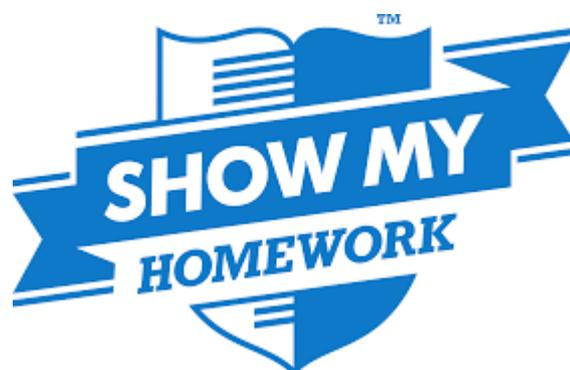

On four evenings, students can join Homework Club in the library. This is open on Mondays until 3.00pm and on Tuesdays, Wednesdays and Thursdays until 4.00pm.

## Show My Homework

The school's system for setting, tracking and monitoring homework is **Show My Homework**. All homework activities are recorded here for students and parents/carers to access, and students are expected to check it every day.

It is an intuitive platform that allows teachers to include worksheets, research information and revision materials online, which students can access from any internet-enabled device at any time. Parents also have access in order to see the homework that is being set.

All students and parents will be issued with their own log-in when they join in September.

# Curriculum

---

## School Library

Forest Hill is first and foremost a reading school. Our library sits at the heart of the school and all students are encouraged to read and share their literacy experiences. Every student in Years 7 and 8 enjoys a supported library lesson in which to read, choose and discuss books. It is important for all students to continue reading and we ask parents to ensure that they read for at least 60 minutes at home each week.

Our electronic library management system (<https://uk.accessit.online/frs01>) is available in school or from home; students can review the books they have read and search for books and online resources.

### Clubs

Students can get help with homework at homework club in the library on Monday to Thursday evenings.

Other clubs and activities such as creative writing, book quizzes and chess are available at lunchtimes.

Periodically, a Poetry Jam is held at lunchtime and is open to all students and staff.

### Reading

We have library staff with expertise available to support students in developing their reading skills and interests. We also organise reading challenges and author events and the secondary school librarians in the borough organise the Lewisham Book Award and a Book Quiz so that readers from many different schools can come together to celebrate their book knowledge.

All Year 7, 8 and 9 tutor groups have a book box in their tutor rooms.

Further information about the library and ongoing activities is available on the school website and the library Twitter feed ([@FHS\\_Lib](#)).

### Lewisham Public Libraries

A library card gives access to a wide range of online resources as well as the opportunity to borrow books and use the internet freely in local branches. We can arrange a library card if students do not already have one. More information will be given to students towards the end of Year 7.

# Extracurricular

---

## Clubs

At Forest Hill School, we offer students a wide range of extracurricular activities that take place at lunchtimes and after school. Clubs vary from term to term but may include:

*Art, Chess, Debating, Student Newspaper, Maths Puzzles, Dance, Drama, Animé and Reading, as well as a variety of Sport and Music clubs.*

We also offer students in Years 9 and 10 the chance to take part in the Duke of Edinburgh's Award scheme.

Our full programme of clubs is available to view on the school website:

<https://foresthill.jewisham.sch.uk/clubs/>

## Jack Petchey Achievement Award Scheme

Forest Hill School participates in the Jack Petchey Foundation's flagship programme – the Jack Petchey Achievement Award Scheme. It is a reward and recognition initiative which enables schools and youth organisations to celebrate the achievements of young people and receive additional funding. Each year, students are nominated for awards by teachers who feel that they have gone above and beyond to achieve.

## Educational visits

Forest Hill School has a strong commitment to the added value of learning beyond the school day and beyond the school premises. Each year the school arranges a number of activities that take place off the school site and/or out of school hours, which support the aims of the school. The variety of visits and experiences available may differ depending on the year group or the subjects being studied. Museums and theatres feature prominently on our trips' schedule and we also host visits from authors, theatre companies and other professionals.

## Residential Trips

Residential trips are a key part of the National Curriculum. They enable teachers to enhance students' classroom learning, adding opportunities students may not otherwise have, particularly in the case of urban schools like ours where children have limited access to natural outdoor environments in their day to day learning. Residential trips are also a great bonding experience, which is why we usually take all Year 7 students away for a few days during their first term at Forest Hill. The year group is divided into two and each group spends 2 nights/3 days at a Kingswood Activity Centre based at Grosvenor Hall in Ashford, Kent. Students participate in a wide range of challenging, high-adrenaline and skill-based indoor and outdoor activity sessions, including climbing, abseiling, zip lining and obstacle courses.

# Pastoral Care

## Heads of Year

Forest Hill School prides itself on the quality of pastoral support and guidance on offer. We work very hard to make sure that all available lines of communication are open so that it is easy for you to get in touch with us whenever you need to. Our fundamental belief is that the school and parents should work in partnership to ensure that your son has the best possible educational experience.

In order to offer your son pastoral support that is tailored to his needs, we have a year group system in place. Your son's attendance, wellbeing and academic progress will be overseen by the Head of Year 7. Heads of Year lead a team of Form Tutors who have the day to day responsibility for delivering pastoral support for the boys. As the Head of Year and Tutor team will remain with the boys throughout their time here, they (and you) will develop close relationships with the whole Pastoral Team.

## Houses

Forest Hill also has a strong House ethos of which we are very proud. Houses play a pivotal role in establishing the strong community identity and caring ethos that have been the hallmarks of our success here over the years.

On entry, your son will join one of our four Houses. Each House is overseen by a Head of House.

**Ofosu-Asare House** is named after former student, Kwame Ofosu-Asare. Kwame was a much-loved and respected student at Forest Hill School, who tragically lost his life in a case of mistaken identity. He was a model student, had a keen love for the arts and represented the school in athletics and football.

**Head of House: Ms Suart**

**Turing House** is named after Alan Turing, who played a crucial role in cracking intercepted coded messages during World War II. Due to laws against homosexuality at the time, he was arrested and castrated as punishment for his identity. In 2013, he was given a posthumous pardon by the Queen.

**Head of House: Ms Morley**

**Tull House** is named after Walter Tull, who was both a professional footballer and a soldier during World War I. Walter had to give up his career as a footballer to help out in the war, but he then became recognised as the first black officer to lead white British soldiers into battle.

**Head of House: Ms Heerey**

**Parks House** is named after Rosa Parks, who was one of the most influential figures in the Civil Rights movement. She prompted the Montgomery Bus Boycott when she was arrested in 1956 for not standing up to allow a white person to sit down. This led to an end to segregation and prejudice on buses.

**Head of House: Ms Sparkes**

The House system creates a sense of community and any younger brothers starting will usually be placed in the same House as their older sibling. Houses play a central role in developing the school community, running fun and engaging events and competitions throughout the year.

## PSHCE

At Forest Hill School we place great emphasis on ensuring that our students are as well-equipped as possible for when they leave us. A key area for delivering this is through our Personal, Social, Health and Citizenship Education (PSHCE) provision. This includes the delivery of the statutory Relationships and Sex Education (RSE) and Health Education curriculum.

PSHCE is delivered in a variety of ways:

- ⇒ Weekly 30 minute sessions during tutor time
- ⇒ Discussion and debate in tutor time
- ⇒ Assemblies on key issues
- ⇒ Woven into the wider school curriculum
- ⇒ Drop-down days and further learning opportunities

Full details of the PSHCE curriculum are available to view on the school website:

<https://foresthill.lewisham.sch.uk/pshce/>

## Student Counselling Service

One of the sources of support available to students is the School Counselling Service, which has been running successfully for several years and has supported many children who have experienced difficulties, by helping them to talk about and explore their concerns in confidence.

Students may access the service in several ways:

- By self-referral
- Referral by the pastoral team
- Referral by parents/carers
- Referral by teachers/staff

Students who self-refer will be strongly encouraged to tell their parents/carers, but if they are not ready to do this, their confidentiality will be respected.

The service is also open to parents/carers who are concerned about a child. For further information about the counselling service, please contact **Colette Rhodes**.

Our school counsellor,  
Colette Rhodes, can be contacted by  
email at  
[c.rhodes@foresthillschool.co.uk](mailto:c.rhodes@foresthillschool.co.uk)  
or by telephone at school on  
020 8699 9343.

# Rewards and Sanctions

---

## School Rules

Our Rules are based upon the simple expectation that students at Forest Hill are always **Ready Respectful** and **Safe**.

**READY TO WORK HARD** – Forest Hill students are ready to learn. They are ambitious and strive to do well. They set the highest standards for themselves both inside and outside of lessons and make the most of the opportunities they are given.

- Students must be punctual to school and to lessons. Students going out of a classroom during lesson time must carry a note from the teacher.
- Students must wear correct school uniform at all times – additional items will be confiscated.
- Students must have a set of the prescribed equipment with them at all times.
- Students should not bring mobile phones or other electronic devices into school. They will be confiscated and only returned to parents/carers.

**RESPECTFUL** – Forest Hill students are respectful, kind and courteous. They support and value the school and all members of the school and wider community.

- Students must treat other people with kindness and respect. Racist, sexist, homophobic/biphobic/transphobic behaviour will not be tolerated.
- Students must respect boundaries with regard to other people's property. The sale of any item in school by students is forbidden.
- Students should respect the environment and refrain from eating or drinking in classrooms during lessons or lesson changeover. Students are permitted to drink water (and only water) in lessons.
- Students are forbidden to drop litter or deface the environment in any way. Students who graffiti (on books, on furniture or anywhere in the building) will face serious consequences.

**SAFE** – Forest Hill students do their utmost to ensure that the school is a safe place to learn. They consider others' needs and the consequences of their own actions.

- Students should avoid inappropriate contact with others, especially play-fighting.
- Students must always walk on the left along corridors or staircases and move with regard for the safety of others at all times.
- Students must not attend school in possession of or under the influence of tobacco, vapes, alcohol or any illegal substance.
- Students must not bring items such as frozen drinks/biscuits etc into school which they intend to sell or distribute.
- Students must not bring dangerous objects or objects which could be used as weapons into school.
- Students must not invite or encourage intruders onto the school site.

# Rewards and Sanctions

## Rewards

We use epraise, an online rewards system, as a mechanism for recording and celebrating centrally students' contributions. The guiding principle is that all rewards carry the 'currency' of epraise points. Students earn these for classwork, homework, extracurricular participation and commitment to the values of the school. They work towards milestone certificates and save up their points to spend in our rewards shop or to donate to charity. Houses, Tutor groups and individuals compete to gain the most points, and students, staff and parents are able to track points activity online.

For more detailed information about epraise, please visit [www.epraise.co.uk](http://www.epraise.co.uk).

Physical rewards which carry epraise points may include:

- Gold Merit certificates for an excellent piece of work or effort
- Letters/postcards sent home to parents. These may be awarded for a variety of reasons, such as (but not exclusive to) sustained effort and achievement in a subject
- Other certificates for participation in extracurricular activities, such as a sporting achievement or voluntary work representing the school
- Jack Petchey Award: A reward and recognition initiative which enables schools to celebrate the achievements of their young people as well as receive additional funding (see P.14)

## Detentions

The School runs daily detentions of between 20 minutes and 1 hour. These run after school from 3.00pm. Shorter detentions of up to 30 minutes are served on the same day that they are set - without notice.

Longer detentions of 30+ minutes will be sat on the following day and parents and carers will be informed by email on the day their child is to sit the detention.

Where it is necessary for students to sit a longer detention – up to one hour on the same day, i.e. for serious incidents or persistent disruption, we will endeavour to ensure that parents are informed by telephone or email.

### INFORMAL REWARD PROCESSES

- Positive comments written on work
- Use of stickers/stamps
- Public recognition in lessons
- Placing students' work on display
- Informing Form Tutor and/or Head of Year
- Senior staff visiting classes to praise students' work and effort
- Non-verbal recognition (thumbs up, nodding, smile)
- Assembly announcements

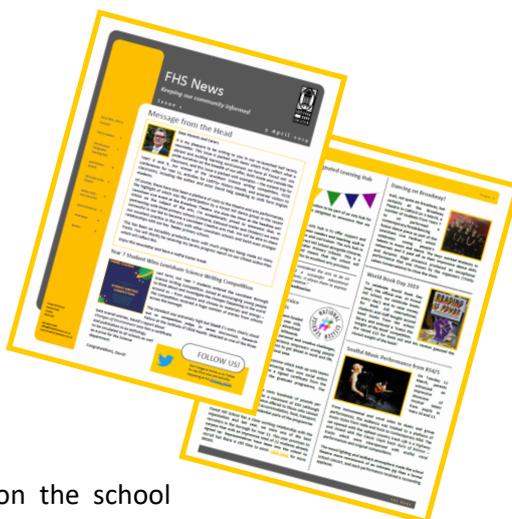

# Communications with Parents

## Overview

As a school, we realise the importance of maintaining and constantly improving our communications with parents and carers. Brief, regular communication gives you a window into your son's daily school life, which is why you will receive a weekly bulletin with information about the week ahead. This includes a link to a weekly video message from the Headteacher.

At the end of each half term, you will receive a copy of FHS News, our electronic newsletter giving you a round up of all that has been happening (for example: trips, visits, sports fixtures, performances) over the past six weeks.

You will also find useful information and regular news stories on the school website and on social media.

## Electronic Communications

Parents/carers are advised that Forest Hill School does not send out letters in the post. All letters regarding your son's achievement, attendance, behaviour and general information as well as updates will be sent out via email. Please ensure that you check your mailbox (including junk/spam) regularly and if there are any changes to your email address, please update us immediately.

## Contact Information

**It is vitally important that your contact information is kept up-to-date on the school system.** This is primarily because if your child is injured or taken ill at school or requires hospital treatment, the school will need to get in touch with you quickly.

Secondly we send out key information via email and occasionally text to ensure you and your son are kept up-to-date about key developments. Please remember to alert the school should any of your details change, i.e. mobile phone number, home address or email address.

# Friends of Forest Hill

---

Welcome!

Dear Parents/Carers,

The **Friends of Forest Hill** is the school's Parent Teacher Association (PTA). It is run by parent and carer volunteers from across the year groups who work closely with school staff to raise funds and support events for the school and school community. Its main aim is to achieve an active and vibrant supporting group for the benefit of all Forest Hill School students.

The committee is as follows, drawn from parents/carers from across the year groups:

Chair – Katie Knowles

Vice Chairs – Zara Mitton, Fi Redpath, Sue Ashdown Day

Secretary – Kara Lockett

Treasurer – Leigh Campbell

The Friends of Forest Hill organise events throughout the year including cheese and wine evenings, quizzes, an annual comedy night and a summer BBQ.

We always need more volunteers to help drive events and fundraising ideas and really do want everyone to get involved. If you have any skills, experience or enthusiasm you can offer, or any suggestions for events you would particularly like to get involved with, please get in touch by emailing [friends@foresthillschool.co.uk](mailto:friends@foresthillschool.co.uk)

We look forward to welcoming you, and together achieving an active and vibrant supporting group for the benefit of all Forest Hill School students.

With best wishes

The Friends of Forest Hill

## ParentPay/Cashless Catering

Forest Hill School operates a cashless catering system that uses biometrics (fingertip identification). This technology is very safe and commonly used in secondary schools across the UK. You will be emailed a consent form in order to register your son for this.

You will be issued with a secure online ParentPay account which offers you the freedom to make payments for lunches, trips, stationery and ties whenever you like. Making a payment is straightforward either with a credit or debit card or using PayPoint and holds a payment history for you to refer to at a later date.

## Personal Property

We advise that **ALL CLOTHING**, kit and equipment is **CLEARLY** marked with your son's name and tutor group. Bags must not be left unattended around the school. We request that your son does not bring in valuables or large sums of money for their own personal safety before, during or after school. Especially as Forest Hill School is cashless.

## Water Bottles

Every student should bring a reusable (not glass) filled water bottle to school every day.

## Timetables

Please make sure you have a copy of your son's timetable in a prominent position so that you can support him in ensuring that he brings the correct books, kit, etc. If for any reason you misplace the timetable, please contact the school office.

## Attendance / Absence

Regular attendance at school is crucial to your son's success and wellbeing. Our aim is that all our students attend regularly and we set ambitious targets to facilitate this. Students are therefore expected to maintain a minimum of 97% attendance throughout the school year. Students whose attendance falls below 90% in any period will be regarded as persistent absentees and appropriate action will be taken to ensure they develop a regular pattern of attendance.

The school must be notified EVERY DAY that a student is absent. You can do this by:

- Telephone: **0208 613 8468** before **8.00am** on the day(s) of absence (automated service to leave a message)
- Email: [attendance@foresthillschool.co.uk](mailto:attendance@foresthillschool.co.uk)

If you receive our *InTouch* truancy message for failing to update us with the reason why your son is absent from school, please reply on the day of the absence. For any absence of five days or more, parents/carers must supply the school with a doctor's note. If your son is marked as absent and you have not contacted the school we will endeavour to inform you of this absence as soon as possible on that day via the email address you have provided us.

## Attendance / Absence (continued...)

**Please ensure your details are always kept up-to-date.**

Should your child need to leave school for any medical, doctor, dentist appointments etc., they should report to Student Services to sign out. You should inform his tutor of his appointment at the beginning of the day and send an email in advance to [attendance@foresthillschool.co.uk](mailto:attendance@foresthillschool.co.uk) with details and proof of the appointment. Students are allowed to leave through Main Reception when leaving for an appointment. If you need to meet your son, you can also wait for him at Main Reception. When your son returns he will need to sign back in at Main Reception. Please see the school Attendance Policy on the website for more detailed information.

## Punctuality

Please refer to the table on Page 6 for start times, as Monday is slightly different to the rest of the week. Students are expected to register daily in their tutor room with their tutor group. Evidence is required (e.g. an appointment card) for genuine reasons for being late. Unauthorised lateness will lead to action from the Head of Year.

## Sickness

Students who are seriously unwell or infectious should not be sent to school – please call the absence line to report details of your son's absence.

Where a student has an accidental injury or generally feels unwell, parents/carers will be contacted to determine if the student should remain at school or be collected. Medical Tracker is the school's first aid reporting system via which parents will be notified if their child has a minor injury or if first aid is given at school.

Designated staff hold a certificate in First Aid only, and will make a judgement on the needs of the student. Where they judge that the student needs more assistance than can be offered in school, parent/carers will be asked to collect their child.

Where there is an emergency an ambulance will be called and parents will be contacted.

## Holidays in Term Time

Parents must not arrange holidays during the school term; dates are available on the website. The school is only able to authorise absence during term time (for holidays) in exceptional circumstances. Any parent wishing to make such an application must do so in writing before the event to the Headteacher via email to [attendance@foresthillschool.co.uk](mailto:attendance@foresthillschool.co.uk)

## School Privacy Notice

### Data Protection Officer

[schoolsdpo@lewisham.gov.uk](mailto:schoolsdpo@lewisham.gov.uk)

Tel. 020 8314 9928

### The categories of student information that we collect, hold and share include:

- Personal information (such as name, date of birth, unique pupil number and address)
- Characteristics (such as ethnicity, language, nationality, country of birth and free school meal eligibility)
- Attendance information (such as sessions attended, number of absences and absence reasons)
- Assessment information
- Relevant medical information
- Special educational needs information
- Exclusions/behavioural information
- Safeguarding information

### Why we collect and use this information

We use the student data:

- To support student learning
- To monitor and report on student progress
- To provide appropriate pastoral care
- To protect student welfare
- To assess the quality of our services
- To comply with the law regarding data sharing

### The lawful basis on which we use this information

We collect and use student information under Article 6, (1) e) of the General Data Protection Regulation (GDPR) where processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller and Article 9 (2) b) of the GDPR where special categories of data can be processed for the purposes of carrying out the obligations and exercising specific rights of the data controller.

### Collecting student information

Whilst the majority of student information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the GDPR, we will inform you whether you are required to provide certain student information to us or if you have a choice in this.

### Storing student data

We hold student data up to the date of a student's 25th birthday.

### Who we share student information with

We routinely share student information with:

- Schools and colleges that the students attend after leaving us
- Our local authority, London Borough of Lewisham
- The Department for Education (DfE)
- Academy chains

# School Policies

---

## School Privacy Notice (continued...)

- Federations or Multi Academy Trusts (MATs)
- NHS and other professional school support services
- School Police Officer

### Why we share student information

We do not share information about our students with anyone without consent unless the law and our policies allow us to do so.

We share students' data with the Department for Education (DfE) on a statutory basis. This data sharing underpins school funding and educational attainment policy and monitoring.

We are required to share information about our students with our local authority (LA) and the Department for Education (DfE) under section 3 of The Education (Information About Individual Pupils) (England) Regulations 2013.

### Data collection requirements:

To find out more about the data collection requirements placed on us by the Department for Education (for example; via the school census) go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

### Youth support services

#### *Students aged 13*

Once our students reach the age of 13, we also pass student information to our local authority and/or provider of youth support services as they have responsibilities in relation to the education or training of 13–19 year olds under section 507B of the Education Act 1996. This enables them to provide services as follows:

- Youth support services
- Careers advisers

A parent or guardian can request that **only** their child's name, address and date of birth is passed to their local authority or provider of youth support services by informing us. This right is transferred to the child/student once he/she reaches the age 16.

#### *Students aged 16+*

We will also share certain information about students aged 16+ with our local authority and/or provider of youth support services as they have responsibilities in relation to the education or training of 13–19 year olds under section 507B of the Education Act 1996. This enables them to provide services as follows:

- Post-16 education and training providers
- Youth support services
- Careers advisers

For more information about services for young people, please visit our local authority website.

## School Privacy Notice (continued...)

### The National Pupil Database (NPD)

The NPD is owned and managed by the Department for Education (DfE) and contains information about students in schools in England. It provides invaluable evidence on educational performance to inform independent research, as well as studies commissioned by the Department. It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

We are required by law, to provide information about our students to the DfE as part of statutory data collections such as the school census and early years' census. Some of this information is then stored in the NPD. The law that allows this is the Education (Information About Individual Pupils) (England) Regulations 2013.

To find out more about the NPD, go to <https://www.gov.uk/government/publications/national-pupil-database-user-guide-and-supporting-information>.

The department may share information about our students from the NPD with third parties who promote the education or wellbeing of children in England by:

- Conducting research or analysis
- Producing statistics
- Providing information, advice or guidance

The Department has robust processes in place to ensure the confidentiality of our data is maintained and there are stringent controls in place regarding access and use of the data. Decisions on whether DfE releases data to third parties are subject to a strict approval process and based on a detailed assessment of:

- Who is requesting the data
- The purpose for which it is required
- The level and sensitivity of data requested
- The arrangements in place to store and handle the data

To be granted access to student information, organisations must comply with strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.

For more information about the department's data sharing process, please visit:

<https://www.gov.uk/data-protection-how-we-collect-and-share-research-data>

For information about which organisations the department has provided pupil information, (and for which project), please visit the following website:

### Requesting access to your personal data

Under data protection legislation, parents and students have the right to request access to information about them that we hold. To make a request for your personal information, or to be given access to your child's educational record, contact the Director of Strategy & Resources (020 8699 9343) or the Data Protection Officer (020 8314 9928). An administrative fee may be charged which will be notified in advance.

You also have the right to:

- Object to processing of personal data that is likely to cause, or is causing, damage or distress
- Prevent processing for the purpose of direct marketing
- Object to decisions being taken by automated means
- In certain circumstances, have inaccurate personal data rectified, blocked, erased or destroyed
- Claim compensation for damages caused by a breach of the Data Protection regulations

If you have a concern about the way we are collecting or using your personal data, we request that you raise your concern with us in the first instance. Alternatively, you can contact the Information Commissioner's Office at <https://ico.org.uk/concerns/>

## School Partnership

### Aims of the School

Forest Hill School aims for the academic success and personal happiness of every student. We recognise that school should be a preparation for a full and useful life and believe that all students have talents and interests which the school aims to develop. We respect cultural and social diversity and actively encourage confidence and competence in all students.

We aim to work with parents and carers to ensure that students leave:

- Having reached the highest academic standard possible
- With the skills to continue effective learning in the future
- Fully prepared to take up the role of citizens of the future

To support this aim we:

- Provide a safe, caring and stimulating atmosphere
- Maintain high expectations of work and behaviour
- Foster creativity and initiative
- Promote self-esteem
- Celebrate success in all areas

For the school to ensure that the above aims are achieved we need the full support of all students and parents.

The following are the areas in which we expect your son to show responsibility:

- Cooperating with teaching and support staff at all times
- Respecting other students. No student should suffer either physical or verbal abuse of any kind at any time
- Maintaining excellent rates of attendance and punctuality. This is vital for raising achievement and parents should ensure that any absence is avoided in term time, which may only be arranged with the direct permission of the Headteacher
- Respecting the environment – ensuring they avoid contributing to litter and treat property and equipment with respect
- Having his Day Book and correct equipment at all times
- Completing all homework and coursework on time
- Maintaining a high standard of uniform
- Adhering to the school rules
- Respecting the local community and showing consideration to our neighbours and local residents at all times

We believe that where there is a clear determination by all members of the school community to achieve the stated aims, his time spent at Forest Hill will be both happy and rewarding. The staff and governors have agreed these aims.

**We are embarking upon a partnership of responsibility between home and school.**

## Relationships and Behaviour

Good relationships are essential for success at school and at Forest Hill we work extremely hard to build these. However we appreciate that children can make mistakes and we know that maintaining strong positive relationships takes time and effort. We have a well-established and embedded practice of adopting Restorative Approaches as the basis for managing relationships in school. The school also operates a behaviour points system in which sanctions such as detentions and being sent out of class accrue points. The points for each child are closely monitored and certain point thresholds trigger support as well as further sanctions.

More detail about this can be found in the Relationships and Behaviour Policy which is available on the school website.

In practice this means that we will ask your son to take responsibility for his part in situations that have gone wrong. We will expect him to be honest and consider any harm that has been caused, then to help put things right and repair any damage done. We have a relatively simple set of school rules so that the expectations for all boys are clear. I would ask that you spend some time familiarising yourselves with them and discuss the details with your son to support him in achieving high standards of behaviour.

## Safeguarding and Child Protection

At Forest Hill School we are committed to the protection of every student who attends our school. There is a very clear and effective policy in place that makes explicit the school's commitment to all child protection matters. It is vital we all understand that the needs of the child must take precedence always. Whenever a student discloses an issue to a member of staff we have a duty to investigate and take the most appropriate action.

The Safeguarding and Child Protection Policy is available on the school website.

## Anti-bullying Contract

At Forest Hill School we acknowledge that no school is free of bullying. We, as a school, will strive to create an environment that is happy and supportive of all our students and staff.

In order to have the full commitment of every member of our community to our anti-bullying policy, everyone will be asked to sign this contract. This will help to ensure that bullying is kept to a minimum, if not eradicated altogether. Agreeing to this contract means that the students will not be involved in any kind of bullying behaviour, whether it is verbal, physical or psychological.

### **Students promise to:**

Support the aims of the school by reporting all incidents of bullying whether directed towards you or someone else.

### **Parents/Carers undertake to:**

Support the aims of the school by watching for signs of bullying and communicate these to the school.

### **Staff undertake to:**

Investigate all reported incidents and take appropriate action.

## Equality and Diversity

The central aim of the school is to provide the best educational opportunities and experience for all its students and staff. Equal opportunity can only be achieved through the delivery of a high quality education catering for the needs of all the students. As such the school is committed to an Equal Opportunities Policy which enables all pupils and staff to feel secure and confident and to succeed to the best of their abilities. Please refer to the policy on the school website.

The Forest Hill School community is made up of a wide variety of individuals and groups with a wide variety of backgrounds, lifestyles, languages and cultures. It is a diversity of which we should be very proud, which enriches our lives and educational processes. It is therefore an essential part of the school's role to ensure that such diversity is seen as the advantage it is, and not feared or derided. To this end the school must take an unequivocal stance against prejudice and discrimination.

We recognise that many members of the school may experience prejudice and harassment both within the school and outside. The school therefore commits itself fully to a policy of challenging all prejudice and discrimination, including;

**Ability, age, class, gender, gender identity, sexual orientation, language, marital status, physical appearance, racial or ethnic or national origin, religion, HIV positive and A.I.D.S status, and employment status.**

Such a policy requires commitment from each member of the community and the acceptance of a code of conduct that:

- a. Encourages respect for the individual
- b. Encourages collective action to challenge prejudice and structures which perpetuate it
- c. Challenges stereotyped images and in their place promotes positive images
- d. Declares as unacceptable any language, action or expressed belief that is prejudiced or which encourages prejudice in others
- e. Challenges institutional structures which have prejudicial or discriminatory effects

It is the duty of all members of the school community to uphold this policy even where it may be in conflict with their own beliefs.

Forest Hill School is committed to promoting and nurturing an inclusive environment for staff, pupils and parents/ carers and take various opportunities to celebrate different identities and communities.

## Internet Permission

As part of the School's ICT programme we offer students supervised access to the Internet. However, it is government policy that, before being allowed to use the Internet, all pupils must obtain parental permission and therefore, both they and you are requested to sign your consent as evidence of your approval and their acceptance of the school rules on this matter.

By signing this consent you, as the parent or legal guardian:

- Grant permission for your child to use electronic mail and the Internet
- Confirm that you understand that students will be held accountable for their own actions and that some materials on the Internet may be objectionable
- Accept responsibility for setting standards for your son to follow when selecting, sharing and exploring information and media
- Grant permission for the school to access your son's social networking accounts if this helps the school to investigate and resolve conflicts within school

Access to the Internet will enable students to explore a vast source of information stored in thousands of libraries, databases, and archives throughout the world. Families should be warned that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate or potentially offensive to some people.

Whilst our aim for Internet use is to further educational goals and objectives, students may find ways to access other materials as well. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration with other schools and organisations, exceeds any disadvantages. Ultimately though, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, the school supports and respects each family's right to decide whether or not to apply for access.

During school, teachers will guide students towards appropriate materials. Outside of school, families bear the same responsibility for such guidance as they exercise with information sources such as television, telephones, videos, movies, radio and other potentially offensive media.

Parents should be alert to the difficulties often associated with social network sites (e.g. Facebook) as these can be the catalyst to conflict and bullying. We would encourage you to ensure you are aware who your son may be communicating with and the content of these exchanges. It is illegal for students to have Facebook pages under the age of 13. Boys will be asked to open their Facebook page for staff if an allegation of cyber bullying is raised.

## Mobile Phones and other Electronic Devices

Students are forbidden to bring mobile phones into school - except in special circumstances and by prior written agreement between their parents and the Head of Year. In these circumstances they should be handed in at Student Services before school. On the occasion of a student realising that he has accidentally brought in his phone into school it should be handed to the Head of Year before school and collected at the end of the day. There are no circumstances in which students are allowed to have their phones in their possession during the school day. The school will therefore accept no responsibility of for the loss/theft or damage to a student's phone incurred during the school day or on the school site. The school will also not investigate the loss/theft or damage of such banned items.

All phones along with other banned items seen or heard in school will be confiscated and only returned to the parent/carer.

Students who refuse to cooperate and surrender their phones/banned items will be placed in the reflection room - repeat offenders may face more serious sanctions up to and including exclusion.

## Photography/Filming

At your Admissions interview you will be asked to consent to:

- Pictures/film being taken of your son and used for monitoring and evaluation and publicity purposes, throughout the duration of his education at Forest Hill School. First names and year groups may be included with any photographs, but no other identifying information will be used

This publicity may include:

- Use in Forest Hill School publications
- Use on Forest Hill School website
- Use on Forest Hill School social media
- Use in Forest Hill School events (e.g. Open Days, specialist school-related events)
- Use in national, regional and local general (e.g. newspapers) and specialist (e.g. arts, youth) press/publications
- Use in static displays internally, in public places (e.g. libraries) and at events (e.g. exhibitions, conferences )
- Use in selected funding/sponsorship information and promotional material.
