Ofsted Report, January 2024

Forest Hill School is a thriving and aspirational comprehensive school in south-east London, rated 'Good' by Ofsted in January 2024. We provide high-quality education to boys aged 11-18 and we are a community that is wholly reflective of this district of London, teaching pupils from all backgrounds and of all abilities. We also have a highly successful joint Sixth Form provision (SFH6) with Sydenham School for male and female students.

Business is a popular subject both for GCSE along with the KS5 options delivered. We offer a range of subjects including BTEC Business Level 2, GSCE Business Studies, CTEC Business Level 3, A Level Economics and IFS Financial Studies Level 2/3. The business team is committed to continuing making significant contributions to the schools' overall results at KS4 and KS5. Substantial number of students go on to complete Business, Finance and Economics related higher education studies and apprenticeship programmes with well recognised institutions. We are looking for a team member who can inject their passion and vibrancy into lessons and look for opportunities to develop enrichment activities coupled with a keen interest in building positive rapport with staff and students.

Our ideal candidate is

- A Business specialist, though ability to teach other subjects, particularly Economics is desirable
- An outstanding teacher who combines a range of innovative teaching strategies with excellent relationships with young people
- A team player who works well with others and is dedicated to the success of their students
- Someone who looks for ways to improve themselves and the school and is not afraid of taking responsibility beyond their classroom

We will offer

- The opportunity to work in an established and experienced school which challenges the stereotypes of underachieving boys in inner city London
- A personalised CPD programme that offers a range of opportunities to broaden your pedagogical experience and which seeks to support you in developing yourself for future leadership roles
- Modern, state of the art facilities, including staff laptops and the use of excellent ICT facilities with the students

"...The school makes sure that staff have access to high-quality training and development. This includes teachers new to the profession, who are very well supported."
