JOB DESCRIPTION

Title: Sixth Form Data Manager

Grade: PO3

School: Sydenham School

Section: Administration

Post No:

Reports to: Deputy Headteachers

Hours: 35 hours per week – all year round

Main purpose of job

The implementation, development, management and control of all Sixth Form data across SFH6 (Sydenham and Forest Hill schools) and other IT systems relevant to the smooth running of the Sixth Form. The provision and analysis of relevant data for school leaders including student progress, exam results, recruitment, coursing and attendance. To operate an annual programme of performance and contextual data collection for analysis relating to the Sixth Form. The compilation and submission of statistical and other returns including the Sixth Form census.

Key responsibilities

1. To maintain SIMS PX across SFH6, ensuring this is up to date and working effectively across both sites.
2. To set up and maintain ALPS Connect to ensure that staff are able to analyse progress and outcomes swiftly and accurately.
3. Work across SFH6 to ensure that the Sixth Form census is completed accurately and in a timely fashion.
4. Advise the Sixth Form leadership team on the implications of Sixth Form funding arrangements.
5. Oversight of data input by staff, ensuring clear communication and timely completion.
6. To manage the collection, verification and staff entry of data to provide an accurate and timely base for analysis, planning, monitoring reporting and processing of returns relating to provision and outcomes.
7. To offer advice and guidance to staff in the use of data related data systems across SFH6 at an operational and strategic level. This includes ALPS Connect and SISRA.

8. Provide returns, reports, statistical and related information, as requested, for the DFE, LA, the SLT, staff, students and parents ensuring the provision of accurate and appropriate information to relevant parties.
9. To support the SFH6 admin team to ensure the smooth enrolment and coursing of students via SIMS both on GCSE results day in August and throughout the year.
10. To liaise with IT providers on each site to ensure that all students are issued with a school email address.
11. To work with key staff on each site to ensure the smooth running of the Sixth Form timetable, data systems and exam results analysis.
12. To work in conjunction with Sixth Form leadership to produce curriculum grid plans.
13. To work with the member of the senior leadership team who constructs the school timetable at Sydenham and Forest Hill schools, providing support to ensure the timetable is fully integrated into the MIS System across SFH6.
14. Under the direction of the Sixth Form Leadership team create, design, implement and review all assessment data and reporting systems used in the Sixth Form.
15. Manage the assessment system ensuring appropriate data is collected on all students and is accessible to class teachers.
16. To work with the Sixth Form leadership team to provide accurate and timely and accessible data from which targets can be set at a variety of levels and analysis can be made.
17. To keep up to date with current developments in Sixth Form MIS systems and Sixth Form funding and to be able to update and advise SLT on these developments.
